Brand story

FORMANI has evolved considerably over the last few decades – from a Dutch family business to an internationally renowned designer brand, from door handles to total design concepts, from product development to collaborations with world-class designers. It was an evolution driven by pure ambition and courage. Our motto, 'Obsessed with details', epitomizes everything we do, from product to process, from strategy to service. Because it is these details that make the difference between good and perfect. At FORMANI, good is the enemy of great.
